

Job Title: General Laborer

Company: Thermal-Gard Building Products, Inc.

Location: Punxsutawney, PA

Job Type: Non-Exempt/Full-time

About Thermal-Gard Building Products, Inc.: Thermal-Gard Building Products, Inc. is a window and door manufacturing company specializing in innovative, custom new construction and replacement windows and doors. With a commitment to excellence and sustainability, we have been serving the construction industry for over two decades. Our products are known for their quality, reliability, and contribution to energy-efficient building practices.

Job Overview: We are seeking a dedicated and reliable General Laborer to join our team. The ideal candidate will assist in various aspects of the manufacturing process, ensuring the efficient production of our windows and doors. This role requires a strong work ethic, attention to detail, and the ability to work in a fast-paced environment.

Key Responsibilities:

- Assist in the assembly and production of windows and doors.
- Operate machinery and tools safely and efficiently.
- Inspect products for quality and report any defects or issues.
- Load and unload materials and products.
- Maintain a clean and organized work area.
- Perform other duties as assigned by the supervisor.

Qualifications:

- High school diploma or equivalent.
- Previous experience in a manufacturing or construction environment is a plus.
- Ability to lift heavy objects and perform physical labor.
- Strong attention to detail and problem-solving skills.
- Ability to work independently and as part of a team.

Benefits:

Thermal-Gard Building Products, Inc. offers a competitive salary, comprehensive benefits package, and opportunities for professional development and advancement within the company.

Thermal-Gard Building Products, Inc. is an equal opportunity employer.
